CALOMEL WHEN BILIOUS? NO! STOP! MAKES YOU SICK AND SALIVATES

"Dedson's Liver Tonic" is Harmless To Clean Your Sluggish Liver and Bowels.

Ugh! Calomel makes you sick. It's horrible! Take a dose of the dangerous drug tonight and tomorrow you may lose a day's work.

Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel, when it comes into contact with your bile crumbles into it, breaking it up. This is when you feel that awful nausea and cramping. If you are sluggish and "all knocked out," if your liver is torpid and bowels constipated or you have headache, dizziness, coated tongue, if breath is bad or stomach sour, just try a spoonful of harmless Dedson's Liver Tonic tonight on my guarantee.

Here's my guarantee.—Go to any drug store and get a 50 cent bottle of Dedson's Liver Tonic. Take a spoonful and if it doesn't straighten you right up and make you feel fine and vigorous I want you to go back to the store and get your money. Dedson's Liver Tonic is destroying the sale of calomel because it is real liver medicine; entirely vegetable, therefore it can not salivate or make you sick.
I guarantee that one spoonful of Dedson's Liver Tonic will put your sluggish liver to work and clean your bowels of that sour bile and constipated waste which is clogging your system and making you feel miserable. I guarantee that a bottle of Dedson's Liver Tonic will keep your entire family feeling fine for months. Give it to your children. It is harmless; doesn't gripe and they like its pleasant taste.

50,000 ACRES OF INDIAN LAND TO BE SOLD SOON

STARTS AT MUSKOGEE NEXT MONDAY UNDER SUPERVISION OF GOVERNMENT

Muskogee, Nov. 25.—Approximately 50,000 acres of allotted Indian lands will be sold in Eastern Oklahoma under the supervision of the United States government beginning next Monday. Gabe E. Parker, commissioner of the Five Civilized Tribes has announced.

The land, which includes that of former Arapahos and Cheyenne agencies and of former Iowa, Comanche, Apache and Wichita reservations, is now owned by Indians whose restrictions have been removed. In most cases these Indians own more land than they are able to maintain properly and the money derived from the sale of the surplus will be used to improve the homesteads.

Five hundred and thirty-five farms will be offered for sale. It is announced. These are divided into approximately from \$1.00 to \$20.00 an acre. Beginning Monday and continuing until next Saturday sales will be made in practically every county in this part of the state. Mr. Parker announced that an effort would be made to discourage the purchase of land for speculation, the government's object being to sell it for settlement.

The last song "At Parting," is a new and appealing setting to the familiar "To you it is a rose, to me it is my heart." Both the singer and composer shared in the applause that followed its rendition, and they were forced to repeat it. Altogether the program was an enjoyable one and the small crowd which heard it was on the whole well pleased.

OUTBREAK CAUSED BY REPORTS OF BREACH WITH ENTENTE ALLIES

"Communication with Kumi was destroyed yesterday. Major Helstrom, instructor of the gendarmerie, which was responsible for the bloodshed at Hamadan, has resigned. He explains that the conduct of the gendarmerie was due to false news received of anarchy at Teheran, which was reported to have been taken and burned by the Russians and the gendarmerie and Persian Cossacks had also to the failure of telegraphic communication with Teheran, declaring that they acted under orders from Teheran, issued owing to a reported outbreak of war between Persia and Great Britain and Russia.

"Major W. T. T. O'Connor, the British consul at Shiraz, and five other Englishmen and ten spies have been taken by the gendarmerie into the mountains.

"The Turks and Germans are continuing their intrigues announcing the departure of the shah with the diplomats of the central powers from Teheran."

YES—IT IS POSSIBLE TO STOP RHEUMATISM

Rheumatism is a tormenting and stubborn malady. In some cases it yields to treatment which is without avail in other cases.

The daring pains, lame muscles or stiffened joints only disappear by gradually expelling the uric acid, and so many thousands have been relieved by the blood-enriching oil-food in Scott's Emulsion that you should give it a faithful trial. Scott's Emulsion acts as a powerful blood-purifier by increasing the red corpuscles and it strengthens the organs to carry off the acids which cause the trouble. Scott's Emulsion—It cannot harm. It has helped thousands and must be exactly what you need. No Alcohol. Scott & Borne, Bloomfield, N. J.

QUIT MEAT WHEN KIDNEYS BOTHER

Take a glass of Salts before breakfast if your Back hurts or Bladder is troubling you.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which excites the kidneys, they become overworked from the strain, get sluggish and fail to filter the waste and poisons from the blood, then we get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, dizziness, sleeplessness and urinary disorders come from sluggish kidneys. The moment you feel a dull ache in the kidneys or your back hurts or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, stop eating meat and get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast and in a few days your kidneys will act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate the kidneys, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder weakness. Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active and the blood pure, thereby avoiding serious kidney complications.

HAVE DARK HAIR AND LOOK YOUNG

Don't stay gray! Nobody can tell when you darken gray, faded hair with Sage Tea and Sulphur.

Grandmother kept her hair beautifully darkened, glossy and abundant with a brew of Sage Tea and Sulphur. When her hair fell out, or took on that dull, faded or streaked appearance, this simple mixture was applied with good effect. By asking at any drug store for "Wells' Sage and Sulphur Compound," you will get a large bottle of this old-time recipe, ready to use for about 50 cents. This simple mixture can be depended upon to restore natural color and beauty to the hair and is splendid for dark, oily, dry, itchy scalp and falling hair. A well-known downtown druggist says: "everybody uses Wells' Sage and Sulphur, because it darkens so naturally, and evenly that nobody can tell it has been applied—it's so easy to use, too. You simply dampen a comb or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears; after another application or two, it is restored to its natural color and looks glossy, soft and abundant."
